RESPONSE TO ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On June 18, 2004, a Notice of Allowability was received for the above-identified application. However, this notice failed to indicate, and no prior Office Action indicated, that the formal drawing submitted on August 7, 2003 has been accepted by the Examiner. Accordingly, a Supplemental Notice of Allowability is hereby requested which indicates that the formal drawing filed August 7, 2003 has been accepted by the Examiner. Please note the response filed May 19, 2004, which indicates that the formal drawing filed August 7, 2003, was said by the Examiner to be acceptable.

It is also requested that this Supplemental Notice of Allowability indicate that the formal drawings filed December 24, 2002, have been accepted by the Examiner, since no formal indication of such acceptance has been made thus far.

Respectfully submitted,

Duncan AKPORIAYE et al.
